Hello!

OUR NAMES ARE

**William
and Erin.**

WE WANT TO TAKE A
MOMENT TO

thank you

FOR READING THIS.

We understand that the situation you are faced with is extremely difficult. We have not met you, but still know that you are in our thoughts and in our prayers. **Adoption holds a special place in our heart. Erin is an adoptee from Korea, so she is aware of the unique situation that comes with adoption.** We are both so excited at the prospect of becoming parents. You can take comfort in knowing that we have a lot of love to give, and that we will be amazing parents. Thank you so very much for getting to know us.

Our Story

AT THE COFFEE SHOP
WHERE WE FIRST MET

WE MET 8 SHORT YEARS AGO AND
FELL IN LOVE INSTANTLY. WE
BONDED OVER OUR LOVE OF COFFEE,
AND FIRST MET AT A COFFEE SHOP!

We got married in 2019, and over the last three years,
we have loved supporting and growing closer to each
other. **A traditional pregnancy is not an option for
us, however, adoption has always been something we have seriously
considered and are happy with this decision!**

We bought our home, brought in new pets, and have been there for
one another medically, professionally, socially, and emotionally. We
love living our life together and supporting one another, and would
love to finally complete our family.

WE CAN'T WAIT FOR THE NEXT
CHAPTER OF OUR LIVES
as parents.

DYSON KITTY'S BIRTHDAY

All of our pets are rescues, and are up to date on their vaccines and are taken for checkups at the vet regularly. **All of our pets have already shown a loving spirit towards all of the children and babies in our lives, and we think they are more excited than even we are of another family member joining our home.**

TAI AND BRANDON

Our Home

OUR HOME IS IN A QUIET NEIGHBORHOOD THAT IS VERY CHILD FRIENDLY.

There is a lovely playground, tennis courts, and a pool with a lifeguard on duty that also includes a kiddie pool. We have plenty of room for a baby and we are in the process of painting what will be the baby's room. Living in central New Jersey allows us to have access to many parks, hiking trails, and beautiful beach destinations. There is a reason New Jersey is called the garden state, it has a lovely temperate climate with warm summers and beautiful winters. **Franklin Township is a diverse area with a fantastic public school system.**

William's brother is a dog walker and his sister is an elementary music school teacher.

Erin's father is a hearing aid specialist, and Erin's mother is a retired legal secretary. **Erin herself is adopted from Korea, as is her older brother who lives in South Carolina along with his wife and 3 year old son.**

We have always loved spending the holidays with both of our families, and seeing all of our cousins and extended family of aunts and uncles. **We love getting together with friends and family and playing games and watching football together.** That is a tradition we definitely plan on continuing as parents.

Thoughts on Parenting

WE BOTH COME FROM VERY LOVING FAMILIES. ERIN WAS ADOPTED FROM KOREA, SO SHE KNOWS THE IMPORTANCE OF BEING HONEST AND OPEN WITH ADOPTION.

FAMILY TRIPS TO NY

We feel that speaking honestly about our feelings will be at the cornerstone of our parenting beliefs. Our child will always know that they are loved and taken care of. We were both raised Christian, so we plan on taking our child to church and letting them grow in that community. **Erin's experience as a preschool educator has given her a lot of experience with the growth and development of the lives of young people.**

WE BOTH PROMISE THAT OUR CHILD WILL KNOW THAT THEIR ADOPTION **will always be a priority.**

THE DOOR WILL BE OPEN TO DISCUSS IT WHENEVER THEY WOULD LIKE.

CHRISTMAS CATS

Fun Fact:

ONE OF OUR FAVORITE CHILDREN'S BOOKS IS THE GIVING TREE. We will be sure to read that to our child!

ON OPEN Adoption

**WE HOPE
TO HAVE A
RELATIONSHIP
WITH THE
BIRTH MOTHER.**

We feel that it is important to have honest answers for questions that our child may have about adoption. **We will make an effort to maintain a relationship with the birth family, and we want them to be a part of our child's life.**

INTERESTS AND HOBBIES:

We both enjoy watching movies, listening to music and walking our dogs together. William enjoys reading, playing board games and cooking. Erin enjoys watching sports, spending with her friends, and visiting with family.

HOME: We live in a charming townhome in a quiet, friendly, and diverse neighborhood. We have a playground, pool (with lifeguard), and tennis courts reserved for neighborhood residents. Our town is consistently ranked as one of the best places to live in the country, with a stellar public school system.

PETS: 2 cats, 2 dogs. All of our pets are very friendly and eager to please. They enjoy sleeping throughout the day and relaxing with us.

WHY ARE YOU INTERESTED IN BUILDING YOUR FAMILY THROUGH ADOPTION?

We had always considered adoption as a good choice for us. Erin is an adoptee herself, so she understands all of the feelings that come with adoption. There will always be somebody there for this child that understands them and their situation. We both have a lot of love to give and we want to raise a child.

OPENNESS TO BIRTHPARENT(S):

We hope to maintain an open adoption with the birth family. We would hope that we could have regular calls, contact, and visits. We want the birth family to be as involved in the child's life as they wish. We think an open adoption would be best for the child.

CHILDCARE PLANS: Erin works as a preschool teacher at a daycare that provides care for children ranging from infants through pre kindergarten. William works from home. We also have both sets of grandparents and an extensive amount of friends and family nearby to assist with childcare. We plan to send the child to daycare (the one Erin works at) and have them attend public school.

In Closing

Thank you so much for taking the time to read our profile book. We look forward to meeting you in the future. We want to express our deepest gratitude to you for considering us for the incredible responsibility of raising your child. The decision you are making requires immense strength and love, and we want you to know that we are here with an open heart and a sincere desire to provide a loving and nurturing home for your child. **We promise to love them unconditionally and with our whole hearts.**

WE PROMISE TO
provide honesty

ADOPTION JOURNEY
THROUGHOUT
THEIR LIFE.
